

10 October 1960

Memo # 3294  
25X1A9a

MEMORANDUM FOR: [REDACTED]

ATTENTION: [REDACTED]

SUBJECT: Transmittal of publications to Directorate of  
Military Surveys

- 25X1C8c
- 25X1C8c 1. The enclosures are items that were promised to [REDACTED] during the visit of [REDACTED] 25X1A9a
- 25X1X7 [REDACTED] Additional papers, especially on Chinese geodesy, are being secured at the present time and will be forwarded later. 25X1C8c
2. Regarding an interest expressed by [REDACTED] in large-scale map coverage of the Urals, we have located nearly seventy sheets at 1:1,000. These will be examined by [REDACTED] 25X1C8c
- officer to AMS, and after he assures us that these have not been previously sent to DMS, photo negatives will be made and sent at a later date.
- 25X1C8c
3. When these materials are being turned over to [REDACTED] we would like to have him queried as to whether he has been able to devote any time to the preparation of his draft of a collection guide for geodetic data, as discussed with [REDACTED] on 18 August 1960.
